## Gabby & Bear's Quilts

- 1 Sew together the 6.5" squares. Use your favorite method. (Pattern dimensions based on 1/4" seam allowance)
- 2 Add batting or backing and quilt.

## Pocket

- 1 Fold the square in half diagonally, right sides together. Fold line is the top edge of the pocket.
- 2 Starting at the fold, draw a half-circle as close to the edge as possible. Sew along the drawn line, leaving a small opening for turning.
- 3 Trim, turn inside out and press. Stitch to quilt on one of the Cream fabric squares (or on one of your choice).

## Cookie

- 1 Fold fabric in half diagonally. With right sides together, draw a 5" x 5" circle. Place batting on bottom of fabric.
- 2 Sew along the line, leaving an opening for turning. Trim and turn. *Optional: Add French Knots to look like Chocolate Chips.*
